

Volunteer Application

The Multiple Sclerosis Center of Southwest Florida (MS Center) welcomes volunteers from all backgrounds and recognizes the skills and abilities they bring with them. Volunteers at MS Center enjoy a sense of reward that comes from really making a difference and assisting in our mission to improve the quality of life of those in Southwest Florida affected by Multiple Sclerosis. Volunteers can become involved in a variety of activities at various levels of the organization, depending on skills and interests.

Please complete the following form to register your interest in volunteering. Please attach your resume or a short bio listing relevant experience and skills. If you are a student, please tell us a little bit about yourself, your major, your interests and your volunteer background.
