

# No Ball at All

---

This year has been a challenging time.

We can't join in person, so we're sending this rhyme.

You don't need your tuxedo, or to RSVP,

Support our grateful clients, and a hero you'll be!

We have a solution, that we think could be great.

And you won't even need to leave your main gate.

Just become a Host or a Hostess,

And throw a small party to support those  
with multiple sclerosis.

But, if you're still staying home to socially distance,

Just visit [www.mscenterswfl.org/donate](http://www.mscenterswfl.org/donate)  
and make a big difference!!

*Turn over for more details.*

As you know, our annual “A Vintage Affair” gala was a major source of revenue for the organization. Without having it this year...**we need your help!** Our goal this year is \$100,000. We are seeking supporters to become TEAM CAPTAINS to help us reach our goal that will enable us to sustain the services we provide for people with MS.

### **Suggestions**

1. Sponsor a small dinner party or a barbeque and ask your guests to make donations to help you reach your pre-determined fundraising goal.

#### **Ideas for a lunch or dinner party with friends:**

- Private party at your own home  
The MS Center has partnered with an event planner who can help you plan and supply the rental tables, flatware, flowers etc.
- Private Party at an MS Center partner restaurant  
Our partner restaurants are offering special discounted packages to support the MS Center. Packages include catering or a private party at their restaurant. Call Kay for more details.

**OR**

2. Sponsor a golf or bocci ball tournament, etc.  
We have volunteers to assist you with your event.

**OR**

3. Support our 20th Anniversary Campaign with a direct gift.

Call and let me know if you can help.

My direct line is **239-910-4416** or email **Kay@mscenterswfl.org**.

*Kay Jasso*
